ABOUT LILY CEYLON

Lily Ceylon is a Sri Lanka-based manufacturer and exporter specializing in premium-quality Ceylon cinnamon and other spices. Rooted in the rich heritage of Ceylon cinnamon, we are dedicated to delivering authentic, high-grade products to global markets.

Our core range includes carefully processed Ceylon cinnamon quills, Ceylon cinnamon fine powder, Ceylon cinnamon tea, chai tea, whole black peppercorns, ginger powder, garlic powder, Ceylon spices gift collection, dehydrated jackfruit & curry.
We combine traditional expertise with modern manufacturing practices to support consistency, purity and customer satisfaction.

Our commitment to quality, sustain ability and innovation allows us to meet the evolving needs of international buyers while promoting the true essence of Sri Lanka's natural resources.

VISION

To become a globally trusted brand for premium Ceylon spices, showcasing the richness of Sri Lanka to the world.

MISSION

value-added products through sustainable sourcing, value-added products through sustainable sourcing, innovative processing, and a commitment to customer satisfaction.

FOUNDER

Mr. H.A.K.Chinthaka Madusanka is the Founder and Managing Director. He established Lily Ceylon in 2023 and oversees production, sales, marketing and administrative operations.
